

Marine Plan Partnership for the Pacific North Coast (MaPP)

***Central Coast Marine Plan Implementation Advisory
Committee (MPIAC)
Draft Facilitator Agenda***

***May 14th and morning of May 15th, 2019
Sheraton Vancouver Airport
Richmond, BC***

Objectives:

1. Identify synergies between upcoming work priorities between sector(s) and with MaPP
2. Discuss interest and availability to engage on key workplan items
3. Update on Central Coast and regional projects that have advanced over the past year, and gather feedback to inform upcoming work.

Products for Review (to be circulated by May 8th):

1. Draft Goose Bay PMZ management plan
2. List of values and indicators in Central Coast EBM indicator monitoring program
3. Draft selection of EBM indicator reports
